VOLUNTEERS NEEDED

Volunteers are needed to
learn the use of radiation de-
tection instruments for deter-
mining the levels of radioactive
fallout in the town of Bethel.
The Bethel Civil Defense Un-
it is acquiring these instru-
ments from state and federal
civil defense offices. It is de-
sired that the three areas—Beth-
el—West Bethel—East Bethel
have trained personnel to mon-
itor for fallout.

In the event that we were
exposed to higher levels of ra-
diation, the information from
these monitors could inform
the inhabitants concerning the
necessity for seeking shelter,
when it would be safe to move
out of shelter, and for how long
one could safely move about in
certain areas without harmful
effects.

A short training period will
be necessary to learn the use
and maintenance of the instru-
ments and the nature of radia-
tion. Those who wish to volun-
teer, or who wish further in-
formation, should call Wendell
Brewster VA 4-2646.

The other counties in member-
ship. According to the report of
Delbert M. Stewart, C. Earland
Farr, 38, of Brunswick, died
from heart disease after vio-
lent exertion. Mr. Farr's body
was found in the woods at East
Buckfield Sunday. He had
apparently been dragging deer
carcasses.

A study is being carried out
throughout Maine to determine
the level of tuberculosis infec-
tion among pupils of the eighth
grade. Students from the towns
of Mexico and Hartford have
been chosen to participate in
a sampling study. Twenty
other communities are taking
part. The study will be com-
pleted in February.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The town books normally
close on Dec. 31st, but this
year it falls on Sunday, there-
fore they will close on Satur-
day, Dec. 30th. All taxes re-
maining unpaid after this date
will be published in the annual
town report.

There were only two unpaid
1959 Tax Liens that expired
on Nov. 26th. In each of the
two cases a partial payment has
been made and arrangements
made to pay the balance as
neither party wants the prop-
erty put up for sale. Seven
months ago a notice went to
each person having a 1959 Tax
Lien on their property. Four
months ago a second notice was
mailed, and a third notice one
month ago. The notice contain-
ed information as to what ac-
tion could be taken by the Se-
lectmen if the Lien was allow-
ed to expire, as well as the am-
ount due including costs and
interest. The only notice re-
quired by law is prior to the
filing of the Lien. The three
notices could be considered as
courtesy notices and the re-
sult was well worth the ef-
fort.

The snow on the night of the
20th and the day following was
difficult to handle, due to the
fact that during the night it
snowed so hard that visibility
was very poor, resulting in the
plows making slow progress. As
the snow kept coming it was
wet and heavy, again keeping
the plows at a slow pace. Only
breakdown of equipment was
experienced with the 1946
Chevrolet, with two broken
axles and the water pump need-
ing replacing.

Sincerely,
Harold L. Bean

CLERGY TO PREACH
AGAINST IF-ONLY DRIVERS
FROM PULPITS SUNDAY

Clergymen of this commu-
nity today announced that this
Sunday has been declared "If-
Only" Sunday in their church-
es. Sermons will urge observ-
ance of the Traffic Safety pro-
gram sponsored in Bethel by
the Junior Chamber of Com-
merce.

This safety program is inten-
ded to characterize the negli-
gent driver as an If-Only driver,
the driver who could have
avoided an accident if only he
had acted, or reacted, as he
should. The program's theme
is, "Don't be an If-Only Driver."

The Jaycees' program is in
conjunction with a national
public service campaign under-
taken by the U. S. Junior Cham-
ber of Commerce and Liberty
Mutual Insurance Company af-
ter research by traffic safety
engineers disclosed that nearly
all of this nation's 10,000,000
auto mishaps each year are
caused not by reckless drivers,
but by those normally compet-
ent motorists who simply fail
to exercise proper care and
judgment behind the wheel.

Julia Rose Brown had friends
in on her birthday, Nov. 24. A
birthday cake was made by her
aunt, Mrs. Leona Flint. Those
present were: Bonnie Eames,
Martha Keniston, Carol Flint,
Nancy and Linda Brown, Jim-
my Bennett, Stephen Dock,
Trafton Foster, Vivian Brown.

Local Teachers Speak at PTA Meeting Tues.

The Bethel P. T. A. met Tues-
day evening with 53 members
present. The attendance banner
was won by the Second Grade.

Clifford Hillier, chairman of
the Ways and Means, reported
that the School Fair was a suc-
cess, proceeds netting \$187.45.
He expressed his thanks to the
various committee chairmen
and to the many people who
helped so willingly.

Clifford Laws, president,
went over the basic policies of
the PTA for the new members.
They are as follows:

1. Shall be educational.

2. Shall be non-commercial,
non-sectarian, and non-parti-
san.

3. Shall seek neither to direct
the administrative activities of
the schools nor to control their
policies.

4. Shall not enter into mem-
bership with other organiza-
tions save such international or
national organizations as may
be approved by the National
Board of Managers.

A note was read from Mrs.
Sally Bennoch thanking all the
people who helped with the
successful Halloween Party at
Crescent Park School. The P.
T. A. in turn wishes to thank
Sally for the expert job she did
in planning this evening of fun
for the children.

Mrs. Janet Richardson,
Chairman of the Program Com-
mittee, announced that our
December meeting will deal
with the social aspects of the
Crescent Park students, wheth-
er we are pushing them into
social life too soon or not. The
parents were asked to study
this subject thoroughly and be
to voice their opinions at the
meeting.

A plea was made for mothers
to work on the hot lunch pro-
gram at the Primary School. A
mother is needed for Thursday
and Monday and spares are
always needed. They have been
serving anywhere from 100 to
141 hot lunches a day. Two
teachers help in the Hot Lunch
Room, some are assigned to the
cold lunch rooms, others go to
the play ground as soon as they
eat, and one or two have a week
off duty. They change every
week giving all the teachers
each a turn to not have to rush
through their lunch and go di-
rectly to another duty. If it
were not for the volunteer
mothers, some of the teachers
would hardly have time to eat.

Any mother who feels that this
is a worthwhile project and
would be willing to donate one
hour of her time once a week,
please contact Mrs. Guy Park-
er, Jr.

After the business meeting
Mrs. Elizabeth Lord spoke on
"New Concepts of Math." Mrs.
Ruth Ring on "The Reading
Laboratory," and Neil Bragdon
on "What's New in the Science
Department." The talks were
both interesting and informa-
tive. It gave the parents a

chance to see how much our
schools are doing to improve
our educational standards.

Refreshments were served by
the Seventh Grade Mothers af-
ter which a movie was shown
on "The Reading Laboratory."

dragging the roller to pack the
slopes. On the big lift the T-
bars and safety devices are be-
ing installed, as well as the
communication system to the
summit.

The organizational meeting
of the ski and outing club will
be held at the ski lodge Friday
evening, Dec. 1. The junior
members may join after organ-
ization is completed.

SUNDAY RIVER SKI CLUB

A meeting of the officers,
past and present, of the Sun-
day River Ski Club, was held
Monday evening, Nov. 27, at
the Legion Rooms.

There was much discussion
concerning the different com-
mittee of the Ski Club. Presi-
dent, Roland Glines, will be
contacting several persons
concerning heading up these
important committees in the
near future.

Last year's president, Dana
Douglass, Jr., is preparing a
form letter with information
concerning membership in the
Ski Club to be sent to the per-
sons interested in joining the
club.

The membership committee
consists of Alzena Sargent,

Nine Injured in Three Car Crash Near Songo

Nine persons were injured
early last Thursday morning
in a three car collision on Route
5 in Bethel. The accident took
place near the Bethel-Albany
line on the Songo Pond road.
It is reported that a car driven
by Lorraine Baillargeon of
Berlin, N. H., stopped on the
right side of the road and Sher-
wood Bard of North Waterford
who was following slowed
down to see if there was any
difficulty when a third car op-
erated by Robert Stratton, of
Rumford, struck the other two.

Reported injured were Ken-
nard Bennett, Bethel, scalp lac-
erations; Mark Bennett, Beth-
el, back and chest injuries;
Sandra Stratton, Rumford,
bruised leg and hip, possible
nose fracture; Sherwood Bard,
small facial cuts; Timothy
Pitman, North Fryeburg, sore
back; Gail Inman, North Wat-
erford, small facial cuts; Ruth
Rugg, East Stoneham, facial
cuts; Rita Rugg, East Stone-
ham, bruised leg and left eye;
Robert Stratton, sore knees and
chest.

The Baillargeon car was
driven away although receiv-
ing extensive fender damage.
The other cars were removed
by wreckers.

CHARLES BEAN INJURED WHEN CAR HITS TREE

Charles W. Bean, son of Mr.
and Mrs. Robert F. Bean, was
taken by ambulance to the
Rumford hospital Saturday
night after a car reportedly
driven by him left the road be-
tween Robertson Hill and West
Bethel and collided with a tree.
He was treated for lacerations
of both knees and possible
chest injuries. The car was bad-
ly damaged.

EDITORIAL

As noted in the Citizen last week, the report of the Bethel School Needs Survey Committee was a complete and thorough task and it should serve well its intended purpose. Naturally its recommendations need not agree with final decisions of the town but the evident searching of the committee for solutions of present school problems does offer a good foundation for varied opinions by the townspeople.

ELEANOR GORDON GUILD

The Eleanor Gordon Guild met Wednesday evening at the home of Mrs. Phyllis Blake. Virginia Mundt led devotions. Arlene Hamilton received the mystery package. Clothes and articles for the Christmas families are to be left at Mary Paine's before the next meeting. It was voted to buy 10 hymnals for the church and to help with the Sunday School Christmas stockings. Marilyn Parker and Marjorie Conner are in charge of putting up Christmas decorations for the church. Each member is responsible for getting two orders for home made candy by Dec. 10. This candy will be gift boxed. The next meeting will be a pot luck supper at the Methodist Church annex. Each member is to bring their Christmas stocking, gifts for the mental hospital, secret sister gift and their candy to be boxed. Following the meeting there was a display of religious books, novels, poetry, children's books, etc. by the Evangelism committee of the church. These books will be on sale until Dec. 10.

IN AND ABOUT BETHEL

—continued from page one—

Sandra Myers of Cambridge, Mass., spent the holiday and week end at the home of Mr. and Mrs. Wilbur Myers.

Mr. and Mrs. Alan Chase of Bangor were holiday guests of Mr. and Mrs. O. H. Anderson. Mrs. Chase is visiting this week also.

A family gathering was held Friday at the home of Mr. and Mrs. Earl Davis for dinner honoring Mr. and Mrs. Robert Keniston's birthdays. Those present were Mr. and Mrs. Stanley Davis and family, Mr. and Mrs. Robert Keniston and family, and Mr. and Mrs. Earl Davis.

SALES BRISK IN SERIES H SAVINGS BONDS

Sales of U. S. Savings Bonds Series H in Maine and Oxford County have risen sharply for the ten months ended Oct. 31, according to a report from County Chairman George Viles of South Paris.

Sales for the State have jumped 20 percent—\$2,288,000 for the ten months of this year as compared to \$1,908,500 during the same period last year.

Sales in the county were up 10 percent, Chairman Viles said. Not so many people know about the current-income Series H Bonds, introduced to the program in 1952, he said. Judging from the loyalty and enthusiasm of those who have bought them, the Treasury thinks more people would like to.

They would enjoy the guaranteed 3 1/2 percent return if held to maturity—10 years—and they may be redeemed AT PAR on the first day of any calendar month after 6 months from issue date, on 1 month's written notice. They are not callable prior to maturity.

Interest is paid by Treasury check twice a year. These bonds are issued in denominations of \$500, \$1,000, \$5,000 and \$10,000. Holders of these

SCHOOL NEWS

A poll is currently being taken in Union No. 22 to determine the amount of interest in adult education. Poll forms have been distributed through the schools asking if adults are interested and if so to list courses of subjects they would like to see offered.

Adult education programs today are common in many towns and provide opportunity for additional study and work. Courses offered vary greatly and include such diverse subjects as Arithmetic, Typing, Rughooking, Leathercraft, Russian History, Grammar and Foreign Affairs.

Usually adult education classes are scheduled during evening hours and are held in local schools. Costs for such programs are generally determined by the type of course offered. For example, a Foreign Affairs course might involve only the expense of a textbook whereas a Leathercraft course would cost more if supplies and equipment were needed.

Additional poll forms are available at the school office, Crescent Park School.

An arithmetic committee composed of teachers from union towns was recently formed to study the current arithmetic program with a view towards improvement. Eighteen teachers attended the first meeting. A sub-committee was appointed to arrange for a series of speakers qualified to explain work now being done in arithmetic throughout the nation. The next meeting will be held December 5.

Three teachers attended an arithmetic conference in Portland on Tuesday. Featured speaker was Dr. Herbert F. Spitzer of Iowa, nationally known authority on arithmetic. Teachers attending the conference were Charles Helms, Bethel, Floribel Haines, Greenwood, and Doris Slatery, West Paris. They will report on Dr. Spitzer's address at the forthcoming arithmetic committee meeting.

Schools in Union 22 are in the process of giving physical fitness tests to all pupils, grades 4-8. This program stems from the recent White House Conference on physical fitness. Schools throughout the state are participating in order to determine the degree of pupil physical fitness.

Next regularly scheduled meeting of the Bethel School Committee is Monday, Dec. 11. As usual, the committee will meet at CPS at 8:00 p. m.

bonds would feel secure in the knowledge that their investment could not fluctuate with the market. And, of course, they would value the safety—the protection against loss or theft, the guarantees of principal and interest.

I see men ordinarily more eager to discover a reason for things than to find out whether the things are so.

TODAY'S Meditation

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Thursday, November 30

Read John 14:1-7

Let not your heart be troubled: ye believe in God, believe also in me. (John 14:1)

When my mother, in the evening of her life, asked me to go with her on a pilgrimage throughout India, I rejoiced. I had been trained and brought up on the lovely tales of Hinduism. But as we went from place to place, I asked my mother, "Mother, where is God?" Thus my long search for God began.

One day a Christian friend called me. He was to have an eye removed the next day. He asked me to read to him from the Bible. I read the words of John 14. Those words became so real to me in the midst of my friend's situation that I asked him, "Can you not pray to this Jesus?"

We shed tears of gladness because we felt God's presence with us, tears of sorrow because of our failures.

The next day the surgeon examined my friend's eyes. In astonishment, he said something had happened and the operation would not be necessary.

Through this experience I came to know that Jesus is alive, and that I could have access to God through Him. Life took on new meaning. How wonderfully any person can go forward with Christ!

PRAYER: Our Father, we thank Thee for Thy divine love manifested toward us in Thy Son Jesus Christ. Lead men everywhere to believe in Him that He may become their light. In His name. Amen.

Thought For The Day: Christ is the world's light—and my light!

COUNTRY FLAVOR

THE BROWN MONTH

There is something reassuring in the simplicity that comes with November. When one walks a country road through a woodland or along the edge of swamp, he can see things that his eyes missed during the lushness of summer.

If one is tuned to the melody of Year's Symphony, the autumn movement is rich with meaning and satisfaction. It is a slow movement, full of resonance and power, hinting at the fortissimo chords that will reverberate in the time of winter's tempests.

There are those who call November the melancholy month, but in Nature's plan, there is no sadness. Each month is a fragment of a season, and four seasons rolling in their never-falling cycle, constitute an entity.

ity. In the brown time of year, one should slow down and let the heart respond to autumn's therapy.

November brings its storms, but it also has its calm and mellow days when the low sun's bright rays illumine pictures that one missed. The barns and silos, cribs and fences stand forth on the landscape in stark simplicity. Bare-limbed trees in the meadows and on the ridges are silhouetted like steel engravings.

It is good for a man to walk his acres on a pleasant eleventh month day. There is a solemn, brooding spirit on the land. To him who is sensitive, the benediction of the Brown Month is restful to the heart.

Mr. Motorist, take your time! You just can't stop on an icy dime!

Mrs. Juanita B. Allen, Correspondent

The November meeting of the Woodstock PTA was held Tuesday night at the Union School at South Woodstock. There was a very good attendance. In the absence of the president, Gertrude Gaugler, the meeting was conducted by the vice-president, Beverly Packard. During the business meeting reports were given on progress in the membership drive, PTA magazine subscriptions, and on the book fair held Nov. 14 and 15. The attendance banner was won by Grade 3 of the Union School. Refreshments for the January meeting are in charge of Alice McInnis, Alice Hoyt and Hazel Brooks. John Hall, principal, presented the speaker for the evening, John Craig, science instructor, to the group, who gave a very interesting and informative talk on the Science course being offered at Woodstock High. Following this, refreshments were served by the committee: Margaret Buck, Anne Rosenberg and Jacqueline Knights.

RESEARCH REVIEW

Canadian oil producers, National Research Corporation and King's Department Stores, a discount operator, are the subjects of this Research Review.

Canadian oil shares have demonstrated solid strength in recent weeks, particularly since the liquidation of Hemphill Oil at \$100, per share. Larger sales of natural gas and exports to the United States have increased earnings. The winter drilling season is now upon them and the lead holders in northeast British Columbia are looking for large natural gas finds as they have in recent years. The basic factors of this drilling are the large land owners, such as Canadian Superior Oil of California, Pacific Petroleum, Calgary & Edmonton, Home Oil and Fargo Oil.

National Research Corporation is an attractive scientific situation under relatively new management. In the past twelve months profit margins have widened from 25% to 65% and are expected to widen to over 65% in 1962. Sales in 1961 are estimated at \$10-million with earnings per share at \$2.00. Sales may reach \$12-million and earnings per share the \$2.20 level for 1962.

The company operates through three divisions: the Equipment division manufactures high vacuum equipment and gauges; the Metals division processes tantalum and its alloys; and the Research division has contracts to study materials and components used under space conditions and also to study ingredients for solid rocket fuels.

The company is developing a gauge that will measure low pressures in the vicinity of 10-13 millimeters of mercury.

We consider this company to be a sound operation into the growth.

Maurice Bennett, who was badly injured in an automobile accident recently, was brought home from the Stewariston hospital Saturday.

Miss Fay Turner was home over the Thanksgiving holiday.

BOY SCOUTS

Boy Scout Troop No. 126 of Bryant Pond and Locke Mills held the Court of Honor Tuesday evening at the Grange Hall in Bryant Pond. Only one parent was present. The boys receiving awards were: Allen Twitchell — merit badges in first aid and swimming and Neil MacKillop — merit badge in basketball. Boys who have earned awards but were not present were: Merle Ring, Jr., Richard Cross and Franz Martin. The next regular meeting will be Dec. 5 at 7 o'clock.

Lake City Graphic: [Defining an American]—A fellow who sips Brazilian coffee from an English cup while sitting on Danish furniture after coming home in a German car from an Italian movie—and writes his congressman with a Japanese ballpoint pen demanding he do something about all the gold that's leaving the country.

The old-fashioned boy used to bring his teacher an apple as a good will offering, but we suppose the modern lad wouldn't think of giving her anything less than a package of cigarettes.—Ohio State Journal.
